Money, Money, Money, we want no toxic waste

(sing to music of ABBA's "Money, Money, Money")

Words by Diana Shirley

We work so hard, and work all day
to pay the bills, but have no say *ain't it sad*
And still there never seems to be
true consultation left for me *that's too bad*
In our dreams we have a plan
we don't want your costly scam
We want no toxic waste at all
...producing jobs is best for a-ll

Chorus:

Money, money, money

Don't waste money

Of the tax pa-yer

Waste incine-ration

Wastes our money

And it keeps us poor

County- Council

All the things you can do,

If you do a little U-turn

And Re-cycle more

And Re-cycle more

We work so hard, and work all day
to pay the bills, but have no say *ain't it sad*
And still there never seems to be
true consultation left for me *that's too bad*
In our dreams we have a plan
we don't want your costly scam
We want no toxic waste at all
...producing jobs is best for a-ll

Repeat Chorus: "Money, Money, Money....." TWICE

Then finish by repeating the line: **And re-cycle more**

Burn it All (sing to music of Abba's "Waterloo")

Words by David Purchase

My, my at Shire Hall the cabinet put together
A plan to dis-pose waste but not in any clean, enviro- way
And although this idea was bad
The Council's decision was mad

Chorus

***Burn it all- their waste solution for everything
Burn it all- then we won't need to do anything
Burn it all- they couldn't care less what the future brings
Burn it all- the earth's not important don't mean a thing
Wo wo wo wo burn it all a recycling chance we'll be losing***

Oh yes, we've run campaigns and worked to stop this madness
And no, elected leaders just clammed up and hid behind closed doors
Until then their plan had been sussed
and all they did then was just cussed

Repeat **Chorus**:....."***Burn it all.... be losing***"

Repeat: And although this idea was bad , the Council's decision was mad

Repeat **Chorus**: "***Burn it all.....be losing.***"

Then x 3:

***Wo wo wo wo Burn it all- they couldn't care less what the future brings
Wo wo wo wo Burn it all- the earth's not important don't mean a thing
Wo wo wo wo burn it all a recycling chance we'll be losing***

Wo wo wo wo burn it all a recycling chance we'll be losing

Mamma Mia!!! (sing to music of ABBA's "Mamma Mia")

Words by David Purchase

We've been cheated by you in the disposal of waste
Now you've made up your minds and you've done it in haste
Look at you now burning everything, we don't know how
the County Council can care about,
their foolish plan of which there 's no doubt

Chorus

***Just one look and you can see the plant burn
Just one whiff and there's a cause for concern.... ohh oh oh oh
Why we choking? That's our incinerator
Bye bye, time to give us cancer,
Why we dying? That's our incinerator
Bye bye it's just not the answer***

***Death's just a small distraction for a Council's satis-faction
Ma.king di.ox.ins for in-halation
Mamma Mia there they go again
Clean air 'll never be forever.***

Now the budget's been cut and the axe has been swung
But still the Council's not lost and the Campaign has been won
Everyone knows they'll take the easy road
Industry loads making up the cash they can't get
Incineration-their minds are set

Repeat ***Chorus "Just one look..... forever."***

***Why we choking? That's our incinerator, Bye bye, time to give us cancer,
Why we dying? That's our incinerator, Bye bye, it's just not the answer,
Why we choking? That's our incinerator, Bye bye, time to give us cancer,
Why we dying? That's our incinerator, Bye bye, it's just not the answer,***

End repeat 2nd Paragraph of ***Chorus: Death's just a small distraction..... forever.***

We have a Dream of Zero Waste

(sing to music of ABBA's "We have a dream)

Words by Diana Shirley

We have a dream of Zero Waste
don't let them burn our waste in haste

Care about the planet
creatures great and small

Care about the future
people short and tall

We believe in saving
everything we can for future use

We believe in saving
everything we can for future use

We have a dream of zero waste

We have a dream of Zero Waste
don't let them burn our waste in haste

Care about the planet
creatures great and small

Care about the future
people short and tall

We believe in saving
everything we can for future use

We believe in saving
everything we can for future use

We have a dream of zero waste

We have a dream of zero waste

Campaign Song

“The Battle Hymn” of garbage

(sing to music of “Mine eyes have seen the Glory...”)

Chorus:

We don't want incineration

We don't want incineration

We don't want incineration

We know there's a better way!

Verse:

We come from the valleys
and the hills of Gloucestershire,
We care about the planet
and the people who live here,
"Best Practice" waste policy
we want for Gloucestershire,
and no fly ash at Wingmore!

Chorus:

We don't want incineration

We don't want incineration

We don't want incineration

We know there's a better way!

Verse:

Mine eyes have seen the garbage
That's a smoldering on the grate
We must stop incineration
Before it is too late
Unless we wish the dangers
We had better separate
And we must do it now!

“Jav-lin Park, Jav-lin Park, Take the threat away”
words by Charlie Bircher (sing to the tune for “Jingle Bells”)

Chorus:

***Jav-lin Park, Jav-lin Park,
Take the threat away,
All we need is a given reprieve
and to rule this out today.***

***Jav-lin Park, Jav-lin Park,
Take the threat away,
What we say to the council
is to rule this out today.***

Verse:

If you burn our waste
‘cos it seems you’ll save some cash,
Problems you will face
from the poisonous fly ash.

If you rule this out
and choose another way,
People they will shout
Hip hip hip hurray!

Chorus:

***Jav-lin Park, Jav-lin Park,
Take the threat away,
All we need is a given reprieve
and to rule this out today.***

***Jav-lin Park, Jav-lin Park,
Take the threat away,
What we say to the council
is to rule this out today.***
